

Ending Homelessness in Camden

Third Quarter 2018 Update -Business Community Partner Program

We have a great deal of progress to report for the July 1, 2018 through September 30, 2018 period and are energized as we look to the fall season and an exciting roster of activities for the rest of the year.

- Introduction of Day Services: We have begun to fill the void resulting from the shutdown of the New Visions day program with our new half day service offering that is quickly gaining traction.
- Participation in Notable Events: We presented booths at Whole Foods day, the Inquirer's Corporate Philanthropy Conference and CamdenJam 2018. A few photos are attached.
- **Dashboard Results**: The attached report illustrates the metrics that accompany the compassion and hope we deliver to JHOC guests to help them improve their lives and end their homelessness.

There are two very important items that we also want to mention. The first has to do with progress on our succession efforts and the second is a special project which we hope that you will join.

- Welcome to James Wynn: This month our longtime Executive Director John Klein will begin to work with his successor James Wynn who is returning to hometown Camden with an impressive skill set.
- National Homelessness Awareness Week: We are producing an informative report to help inform you and your employees about homelessness. Please check with us for details.

Your support is essential to help the collective effort change so many lives for the better. Please do what you can and know that your contribution is greatly appreciated. Thank you.

Joseph's House Path from Homelessness

Joseph's House of Camden is a non-profit dedicated to caring for homeless adults.

Joseph's House strives to provide a safe, warm and hospitable shelter and ultimately to connect our guests with area social service providers who can offer more permanent solutions.
